## Balance of Manufacturer Warranty Offer

- A WW Truck & Bus used truck with Remaining Warranty has been identified from our stock as being nearly new, typically around a year old and of the highest quality. Very often these vehicles have been demonstrators. When you choose to buy a used truck with Remaining Warranty it will come with the remainder of the full manufacturer's warranty that the vehicle had when supplied new. This, together with a comprehensive inspection and pre-delivery preparation, means that you have made a safe choice when opting to purchase a used vehicle. In essence the vehicle will be in peak condition when you take ownership.
